**Different customers have different expectations.
From now on, customers can book the room or spot
of their choice on plan, directly on your website.**

Make your evacuation plan into an interactive booking map, thanks to AI. Customize each room or accommodation by adding photos of the interior, the view, and available options.

Your advantages

- Increase direct bookings
- Avoid OTA commissions & bank charges
- Encourage early booking
- Increase early upselling
- Boost yield management
- Improve customer loyalty
- Offer      payment free of charge

1,500€ excl. tax.
for setup fees

2.5 to 5%
Edgar commission
payed by customer upon booking
