

# interactive **campsite map**

**www.get-edgar.com**

# Different customers have **different expectations**

**From now on, customers can view in details the camping spot or accommodation of their choice on plan, directly on your website.**

Turn your campsite map into an interactive map, thanks to AI. Customize each spot or accommodation by adding photos, the view, and available options.

## Benefits

- Increase direct bookings
- Avoid OTA commissions & bank fees
- Encourage guests to book earlier
- Develop yield management
- Build customer loyalty

### **And with the on-map booking system :**

- Generate more upsells in advance
- Offer fee-free payment options

PayPal bitcoin METAMASK
