Interactive hotel map

Different customers have different expectations

Turn your evacuation plan into an interactive map, thanks to AI. Add pictures of each room and area, of the view and available options.

- Increase direct bookings (+300%)
- Encourage early bookings
- Develop your yield management strategy
- Improve customer experience on your website
- Collect customers' contact details
- Ensure your safety plan is always up to date
- Engage social media audience with interactive content

And with the online booking option :

- Generate more add-on sales on the day of check-in
- Offer free of charge payment     

999€ ^{excl.tax.}
i/o 1,500€^{excl.tax.}
