Generate more direct bookings

Take back control of your distribution. Drive more direct bookings. Reduce your reliance on OTAs. Benefit from a more attractive commission model while maintaining a direct relationship with your guests.

Sell directly through Instagram

Instagram has become a true source of inspiration for travelers. Turn your Instagram account into a direct sales channel by making it easier for guests to go from inspiration to booking.

Increase revenue per guest

A booking doesn't stop at the room. Early check-in, upgrades, late check-out, dining... Offer the right services at the right time and turn every stage of the guest journey into an upselling opportunity.

Boost your Google reviews

Reviews play a key role in your property's appeal. Automate your Google review management with AI and use engaging, gamified features to encourage guests to share their experience.
